

Greetings ladies and gentlemen,

Below is the Combat Center Speed call for March 18, 2022. Of note, if departments do not provide updates to the Communication Strategy and Operations Office or confirm that their information is correct by 1300 on Friday, the following message will be displayed in their respective section: "There are no announcements for this section of the Speed call at this time." This is in effort to mitigate misinformation.

GENERAL ANNOUNCEMENTS

ROBERT E. BUSH NAVAL HOSPITAL VACCINE INFORMATION UPDATE:

Beginning 1 Mar 2022, patients will check in at Clinic C, the Immunizations Clinic front desk, for their COVID vaccine appointment. Appointments may be made by calling (760) 830-2654. The appointing portal site will no longer be functioning effective 1 Mar 22.

The pediatric Pfizer vaccine for ages 5-11 and the Moderna and Pfizer vaccines and boosters will continue to be available. The CDC updated booster timelines for Pfizer and Moderna and now the Pfizer or Moderna booster can be received five months after completion of the Pfizer or Moderna primary series.

UPCOMING CHANGES TO THE ACUTE RESPIRATORY CLINIC (ARC)

In a continual effort to improve your experience and access to your medical team, we are pleased to announce that, starting December 6th, patients with respiratory symptoms will again be cared for within their primary healthcare team at either Naval Hospital Twentynine Palms (NHTP) Primary Care Medical Home, The Adult Medical Care Clinic (AMCC) or the Marine Corps Medical Home (MCMH). To support these changes, your respective care team will be offering COVID19 testing, nurse evaluations, clinical pharmacy consultation, and/or the ability to see a provider if desired. For patients enrolled at NHTP, please call (760) 830-2752 to speak with a nurse about your care options. For patients enrolled at AMCC, please call (760) 830-2621. For patients enrolled at MCMH, please call (760) 830-2270.

We will continue to follow strict infection control procedures as directed by the CDC and in compliance with OSHA to protect our patients and staff.

COVID-19 Vaccinations

Due to the recent increase in COVID-19 positive cases on both the Marine Corps Air Ground Combat Center and in the surrounding community, the Commanding General has directed a change in HPCON status to HPCON B. The implementation of additional personal protection measures in the form of the requirement to wear a facemask regardless of vaccination status is now in effect. This directive includes all persons when inside buildings/facilities located on the installation. Exceptions to this directive are installation housing, personal quarters in the barracks, brief periods of time when eating or drinking, and when alone in an office with the door closed.

Facemasks shall be worn outdoors when social distancing cannot be maintained, such as formations or other general gatherings.

Our COVID response procedures will continue to evolve as we posture the installation to respond to changes in the COVID environment while ensuring continued support to our tenant commands. Additional information, including where to get a vaccine and guidance regarding installation services, may be found at our Combat Center COVID-19 media site at <https://www.29palms.marines.mil/COVID-19/>

[<https://www.29palms.marines.mil/COVID-19/>](https://www.29palms.marines.mil/COVID-19/) . The Combat Center will continue to provide COVID-19 information updates and make every effort to keep our Marines, Sailors, Soldiers, civilian employees, contractors, and family members informed of current risks.

The Robert E. Bush Naval Hospital is now offering a 3rd dose of the Moderna vaccine to eligible individuals with moderately to severely weakened immune systems. If you meet the criteria outlined by the CDC, it is recommended that you get a 3rd dose of an mRNA (Pfizer or Moderna) vaccine at least 28 days after your 2nd dose of an mRNA vaccine.

Who Needs an Additional Dose of the Moderna or Pfizer COVID-19 Vaccine?

Currently, CDC is recommending that moderately to severely immunocompromised people receive an additional dose. This includes people who have:

- * Been receiving chemotherapy for active cancer treatment for tumors or cancers of the blood
- * Received an organ transplant and are taking medicine to suppress the immune system
- * Received a stem cell transplant within the last 2 years or are taking medicine to suppress the immune system
- * Moderate or severe primary immunodeficiency (such as DiGeorge syndrome, Wiskott-Aldrich syndrome)
- * Advanced or untreated HIV infection
- * Active continuous treatment with high-dose corticosteroids or other drugs that may suppress your immune response such as immunosuppressive medications used in the treatment of Crohn's Disease, Ulcerative Colitis, or Rheumatoid Arthritis.

Talk to your clinical care team and specialist about the need to get an additional dose of COVID-19 vaccine and the best timing of a 3rd dose based on your current treatment plan. This is especially important if you are about to start or restart immunosuppressive treatment. To reach your clinical care team at the Naval Hospital, please call (760) 830-2752.

For those eligible beneficiaries with one of the above listed immunocompromising conditions, additional doses of the Moderna vaccine are available in Clinic D of the main hospital. You may schedule an appointment using the DHA appointing portal:

<https://informatics-stage.health.mil/COVAX/>

[<https://informatics-stage.health.mil/COVAX/>](https://informatics-stage.health.mil/COVAX/) or by calling 760-830-2698.

Walk-ins are welcome Monday through Friday from 8:00 a.m. to 4:00 p.m.

For those immunocompromised individuals who have received an initial two doses of Pfizer, please use <https://www.vaccines.gov/> <<https://www.vaccines.gov/>> to find the nearest civilian pharmacy or location to receive an additional dose of the Pfizer vaccine.

Currently, the CDC does not recommend additional doses of the Johnson and Johnson vaccine for immunocompromised individuals who received an initial dose of the Johnson and Johnson vaccine. The CDC also does not currently recommend additional doses of the vaccine for other chronic conditions such as high blood pressure, obesity, or diabetes.

For more information regarding the CDC recommendation for additional doses in immunocompromised individuals, please visit:

UPCOMING STATE ELECTIONS IN THE NEXT 90 DAYS.

The following states have elections for federal office in the next 90 days:

April 5: California Special Primary Election CD 22

May 3: Ohio Primary Election

May 3: Indiana Primary Election

May 10: West Virginia Primary Election

May 10: Nebraska Primary Election

May 17: North Carolina Primary Election

May 17: Idaho Primary Election

May 17: Oregon Primary Election

May 17: Pennsylvania Primary Election

May 17: Kentucky Primary Election

May 24: Arkansas State Primary Election

May 24: Georgia State Primary Election

May 24: Minnesota Special Primary Election CD 1

May 24: Texas Runoff Primary Election

May 24: Alabama State Primary

Register and request your ballot by your state's deadline. You can use FVAP's easy online assistant at <http://www.fvap.gov/FPCA> to walk you through each section of the form. After you finish filling out the FPCA, print it, sign it, and send it to your election office. Most states accept the FPCA by email or fax while some require it by mail. Check your state-specific guidelines at FVAP.gov. Once you receive your requested absentee ballot, vote and return it as soon as you get it. Remember to carefully follow the instructions, especially if a "security envelope" is required, and sign the package as indicated when returning it. To save time, send voted ballots electronically if allowed by state law. Voters can check if their state accepts completed absentee ballots by email, fax, or via an online portal at <https://www.fvap.gov/guide> <<https://www.fvap.gov/guide>> .

If a requested ballot has not arrived, use the Federal Write-in Absentee Ballot (FWAB) immediately at <http://www.fvap.gov/FWAB> <<http://www.fvap.gov/FWAB>> .

It works like a backup ballot. If your official absentee ballot arrives after sending in the FWAB, complete and send in the official ballot, too.

Only one will be counted. Make sure the voted ballot is received by your state. Go to FVAP.gov, click on your state and then the "check the status of your voted ballot" button. To find your state's election website for specific information on candidates, elections, contact information, and links to your local election offices, visit our contact page [<https://www.fvap.gov/info/contact> <<https://www.fvap.gov/info/contact>>].

You can also reach out directly to your election office for status updates on your registration and absentee ballot. The Department of Defense is required to send this email notification starting 90 days before each election for federal office. This information is current as of February 28, 2022. As updates may occur, please check the election calendars and state guidelines at FVAP.gov for real time information.

If you would like more information on the FVAP, or need help with the absentee voting process, please go to FVAP.gov, call 703-588-1584 (toll free 1-800-438-VOTE or DSN 425-1584), or email (<mailto:vote@fvap.gov> <<mailto:vote@fvap.gov>>). The Twentynine Palms Installation Voting Assistance Office is located in Building 1459, Center Personnel Office, or call (760) 830-1800 for voting assistance.

3. AC/S INSTALLATION SUPPORT

- MISSION ASSURANCE

I need the police! Who do I call?

The 911 emergency and non-emergency police response phone numbers differ based upon where you live. In a crisis, the last thing you need is confusion over whom you're supposed to call to get the immediate help you need.

I live in on-base Liberty Military Housing

Emergency: 911 Non-emergency: 760-830-3333

- . Adobe Flats
- . Copper Canyon
- . Desert View Terrace
- . Joshua Heights
- . Marine Palms
- . Ocotillo Heights
- . Shadow Mountain
- . Sunflower Terrace

I live in off-base Liberty Military Housing; Vista Del Sol District

Emergency: 911 Non-emergency: 760-366-4175

- . Aztec
- . Two Mile
- . Joe Davis

For additional information please read the attached "VDS Bulletin".

I live in an off-base residence, unaffiliated with Liberty Military Housing

Emergency: 911 Non-emergency: 760-366-4175

Cities of Twentynine Palms, Joshua Tree, Yucca Valley, and beyond.

Law enforcement response will dispatch from MCAGCC Provost Marshal's Office for all housing on the Installation. For those who live off-base in either Liberty Military Housing or another private off-base residence, the law enforcement response will dispatch from San Bernardino County Sheriff's Department (SBCSD).

Delays occur when Marines and families living off-base call for help and state they live in "military housing" or "base housing." The call may be transferred erroneously to the Provost Marshal's Office due to miscommunication, which will delay response until correctly transferred back to SBCSD.

In addition, to the Speed Call notice, the attached flyer will be posted in LMH Bulletin Boards, and provided to Deployment Readiness Coordinators (DRC) and Unit Readiness Coordinators (URC). DRCs and URCs will disseminate this information to all-hands and maximize distribution to family members.

For additional questions or concerns regarding the bulletin, please contact MCAGCC PMO Desk Sergeant 24 hours a day at 760-830-6800.

- PROVOST MARSHAL

THE PROVOST MARSHAL'S OFFICE AND SAFETY OFFICE: Strongly encourages proper wear of personal protective equipment (PPE) when utilizing recreational gear such as scooters, bicycles, and skateboards. - ENVIRONMENTAL AFFAIRS –

Senate Bill (SB) 1383 was approved by the California Legislature with a goal to reduce emissions from climate pollutants. The legislation recently took effect and requires recycling of organic waste, thus preventing disposal in landfills. The Marine Corps Air Ground Combat Center (Combat Center) is currently investigating methods to ensure compliance with SB 1383. To effectively implement a full-scale operation, the Combat Center requires data from a sample population of (15) residents to refine future funding, labor, and equipment requirements. This sampling of (15) residents, in the form of a pilot study, will be completed over the course of April 2022 for approximately one month. (15) randomly selected residents will participate in this pilot study, which is scheduled to start on or about Monday, 4 April 2022. A pamphlet will be provided to further explain the purpose of this law, along with instructions and examples of organic waste which must be disposed of separately. An additional container will be delivered to the selected residence for disposal of organic waste.

FLU SHOTS NOW AVAILABLE FOR ALL TRICARE BENEFICIARIES

The Robert E. Bush Naval Hospital is offering the influenza vaccine, by appointment, to all TRICARE Beneficiaries with no age restrictions.

Appointments are now available Mondays, Tuesdays and Wednesdays from 7:30 a.m. to 11 a.m. in the Immunizations Clinic (Clinic C). Please call (760) 830-2654 to schedule your flu vaccine appointment.

COVID BOOSTER VACCINE RECOMMENDED FOR EVERYONE 18 YEARS AND OLDER

Did you know the CDC recommends everyone 18 years and older should get a COVID-19 booster vaccine?

Naval Hospital Twentynine Palms is offering Moderna and Pfizer booster COVID-19 vaccines to eligible beneficiaries and DoD civilian/contractor employees ages 18 years and older in Clinic D, Monday through Friday from 8 a.m. to 4 p.m.

. Pfizer and Moderna boosters are approved for use six months after completing the initial series.

. Appointments can be made by using this appointing portal:
<https://informatics-stage.health.mil/PalmsClinicCOVIDApp/>
<<https://informatics-stage.health.mil/PalmsClinicCOVIDApp/>> or by calling
(760) 830-2698.

. Walk ins are welcome based on availability.

. The pediatric Pfizer COVID-19 vaccine continues to be available for ages 5 to 11-years-old for eligible Tricare beneficiaries.

. For more information on boosters from the CDC website, please visit:
<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/booster-shot.html>
<<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/booster-shot.html>>

. For those that received the Johnson and Johnson (J&J) COVID-19 vaccine initially, you are also eligible to receive a Pfizer or Moderna booster

COVID-19 vaccine beginning two months after your initial J&J vaccine. We do not have J&J vaccine. To locate a civilian location to receive a J&J booster, please check myturn.ca.gov or vaccines.gov.

COVID-19 BOOSTER RECOMMENDED FOR 16 AND 17-YEAR-OLDS

Individuals 16 and 17 years of age who completed the Pfizer-BioNTech primary two-dose series are now eligible to receive a COVID-19 Pfizer booster vaccine 6 months after completing the initial series. The CDC Director strongly encourages eligible adolescents age 16 and 17 to get their booster to strengthen protection against Omicron and other variants.

Naval Hospital Twentynine Palms is offering COVID-19 Pfizer booster doses to eligible beneficiaries and DoD civilian/contractor employees ages 16 and 17 years of age who completed the Pfizer-BioNTech primary two-dose series. This booster is available in Clinic D, Monday through Friday from 8 a.m. to 4 p.m.

. Appointments can be made by using this appointing portal:
